

Level 4 Law

Our law qualifications were developed with progression in mind. Our Level 4 Extended Diploma in Law is the first step towards earning your LLB and enhancing a career in the legal sector.

The ATHE Level 4 Extended Diploma in Law is a 120 credit qualification and is equivalent to the first year of a UK degree programme. It has been designed for learners who wish to progress to study a law degree, but may not have the traditional entry qualifications usually required. It also prepares learners well for the forthcoming Solicitors Qualifying Examination.

The qualification introduces learners to a range of key areas within the legal profession, equipping them with the knowledge that they need to progress within their careers, onto a level 5 qualification (such as the ATHE Level 5 Extended Diploma in Law) and supports progression to LLB top-up programmes at UK Universities, as well a range of other degrees in law-related subjects. Learners will complete 4 mandatory units worth 30 credits each to achieve the ATHE Level 4 Extended Diploma in Law.

This qualification will soon be eligible for Advanced Learner Loans through the Education and Skills Funding Agency. Please visit the ESFA Advanced Learner Loans catalogue for more details.
